

Dear Annapolis High School Students,

Thank you again for the amazing week of auditions and of course the patience with the directors as we deal with school work, meetings, an exchange, technical difficulties, and more. Personally, we would like to thank all of the returning Drama Co members for the support and enthusiasm. We thoroughly enjoyed seeing all of the new talent and improvement in theatre skills over the past two weeks. Because of all the interest in our program, we are looking into a variety of other activities such as one act plays, field trips, fundraisers, and more.

The schedule for rehearsals and an introductory meeting will occur shortly, most likely the first week of October. If you were cast in one of the shows, you need to do the following:

1. Accept your role via email to dramacoahs@gmail.com. You ***WILL NOT*** remain in the part or cast if you do not accept your role by Friday, September 29th. You must use an email we can reach you at. Parents, please do not accept the role on behalf of your son or daughter as we need to have contact information on file to send scripts, schedules, and other forms.
2. If you need to decline your role, please send Mr. Parr (asparr@aacps.org) and Ms. Lorenz (elorenz@aacps.org) an email. We may need to speak to you in person.

Regards,

Your Directing Team
